2010-2011
Troy University

Official Colors: Cardinal, Black and Silver

Official Mascot: Trojan

Chancellor: Jack Hawkins Jr.

We're Just Getting Started

For the past 100 years, students have been recording the history of Troy through the Palladium.

Troy University has always prided itself in being different from most higher education institutions. Rather than just preparing our students for their future careers, the teachers and professors at Troy prepare students for life, opportunities, and the surprises that many graduates will face.

At Troy University, the teachers take time to get to know their students on a personal level and help them in any way needed.

Troy is known for providing an outstanding academic program, supported by excellent student services. The combination ensures the best value for students and teachers — the value of a Trojan.

Recently, Forbes Magazine ranked Troy University the state's leading institution of higher education on its third annual "America's Best Colleges" list and ranked Troy 16th nationally on its "America's Best College Buys" list.

The theme for the 2010-2011 Palladium is "We're Just Getting Started." Troy University's tradition of teaching excellence has been around since Feb. 26, 1887. Across the years, Troy has been named Troy State Normal School, Troy State Normal College, Troy State Teacher's College, Troy State College, Troy State University and the current name of Troy University.

Even though Troy has had a few name changes, Troy's leaders have never forgotten about progress and dedication to their students, faculty, alumni and fans. The progress shows no signs of slowing down. There has never been a better time to be a Trojan than now, and we're just getting started.

TROY UNIVERSITY
IMPACT
 NEW STUDENT ORIENTATION

Above: Incoming freshman Cody Farrill shows his Trojan Spirit.

1) IMPACT participants compete in an intense game of Tug-of-War.

2) IMPACT Leaders David Clark, Addison Springer and Natalie Pierce enjoy a moment to just relax.

3) Multiple IMPACT leaders pose after a long day of events.

Every year hundreds of incoming freshmen attend Troy's IMPACT. IMPACT is a student orientation where freshmen can meet other new students and plan their schedules for the upcoming fall term.

This year students from all over the U.S. made their way to Troy. Even the ones who live close by were excited about orientation.

"I remember my IMPACT," said senior Joseph Callaway, a political science major from Leeds. "I met many great people, some of whom have become some of my best friends."

IMPACT is a two-day orientation where incoming students learn and explore the University with other new students. On the first day, students will check into a residence hall, which will be their new home for the remainder of the orientation.

The students not only experience the Trojan lifestyle, but also learn more than they can imagine about college classes and how to be successful. The freshmen will partake in games and group bonding exercises that will help many meet new people.

Then finally the students are able to register for their fall courses under the supervision of experienced upperclassmen.

This year's IMPACT was a huge success as always and will forever be in the memories of many Trojans.

Below: An incoming freshman tries his luck on the rock-climbing wall during the 2010 summer IMPACT.

Left: IMPACT leaders pose with incoming students.

Right: IMPACT leaders, along with their team of incoming freshmen, celebrate after winning an event.

Right: Keynote Speaker Mark Prater addresses the crowd.

Far Right: Another speaker talks to the audience during the 2010 Odyssey.

Odyssey Convocation

At the start of every year, incoming freshmen and returning students will have a great opportunity to meet some other members of the Trojan family, while learning some important information that might help them throughout their time at Troy.

It is also a great way for new students to become more acquainted with our town and university.

This year's Odyssey Convocation keynote speaker was Troy University Alumnus Mark Prater.

Prater has more than 21 years of experience in radio and television, and currently serves as chief meteorologist for WIAT-CBS 42 in Birmingham. He is also a full member of the National Weather Association and the American Meteorological Society.

Prater has been honored with the National Edward R. Murrow Award and an Emmy Award for his on-air work as a broadcast meteorologist. He also was named Alabama's Best Weathercaster by the Associated Press in 1999.

With speakers like Prater, the students attending Odyssey will have a better understanding of what the Troy experience can do for their future.

Above: Another speaker talks to the crowd during the Odyssey Convocation.

The Official Start for New Students

Above: Chancellor Jack Hawkins addresses the crowd before introducing the keynote speaker.

Top: The Sound of the South puts on a show for all students and faculty in attendance.

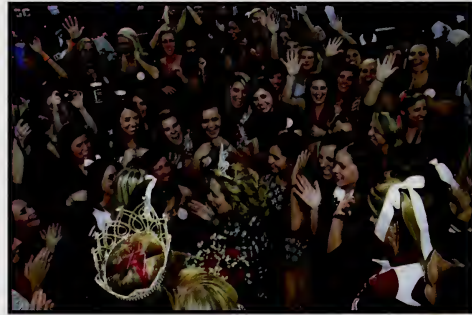

Celebrating the Trojan Nation

Every year one lucky lady is crowned Homecoming Queen of Troy University. This year Elizabeth Dowe of Montgomery was voted by her student body and crowned by Gov. Bob Riley during halftime ceremonies at Veterans Memorial Stadium on Saturday.

Dowe, a senior broadcast journalism major from Montgomery, is the daughter of Mary and Kevin Dowe. She is president of Phi Mu sorority, SGA senator representing the College of Communication and Fine Arts, SGA director of elections, a Trojan Ambassador and an IMPACT Leader. She is also a member of Lambda Pi Eta communications honor society and Order of Omega Greek honor society.

Troy Homecoming 2010

Left: Liz Dowe and the sisters of her sorority pose after celebrating on the field.

Above: Students show their loyalty to wide-receiver Jerrel Jernigan, a key member of Troy's football team.

Below: Students painted their bodies to celebrate the Homecoming game.

Every year during Homecoming, the City of Troy closes its streets surrounding the square for the Homecoming Parade.

Citizens of Troy and visitors from around the world line the streets to watch the beautifully decorated floats pass by.

This year's theme was "A Trojan Nation." It featured everything from local beauty queens to Troy University Cheerleaders and Greek organizations. Also, local marching bands and Troy's own Sound of the South were there to provide great music for the crowd.

The Homecoming Parade is a great way to start out the Homecoming day festivities and get pumped for the upcoming game.

Right: The Sound of the South marches during the Homecoming Parade.

Below: Cheerleader Jennifer McKinnon celebrates during the Homecoming Pep Rally.

Pep Rallies & Parades

The Homecoming Pep Rally was held on Friday, November 12, 2010, at 5:30 p.m. on the Bibb Graves Quad. Current students, alumni and guests from all over came out to cheer on the excited Trojan football team.

The pep rally's entertainment included the Sound of the South marching band, Cheerleaders, Dance Team members and a skit featuring two T-Roy's.

The crowd also heard motivational comments from the Head Football Coach, Larry Blakeney. The event ended with 20 minutes of sky-filling fireworks that prepared the audience for the much-anticipated Homecoming football game.

Miss Troy University

Above: The 2011 Miss Troy University, Sydnii Todd

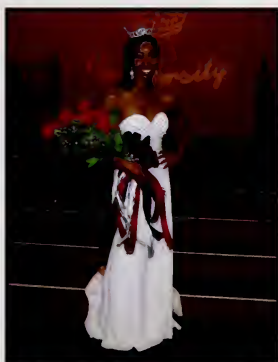

Above: Sydnii Todd is crowned the 2011 Miss Troy University my last years win. Allison Farrington and Troy's very own Chancellor Jack Hawkins Jr.

Troy University celebrated its 2011 Homecoming on November 12, where many fans came to support not only the team but celebrate to crowning of their 40th Homecoming Queen.

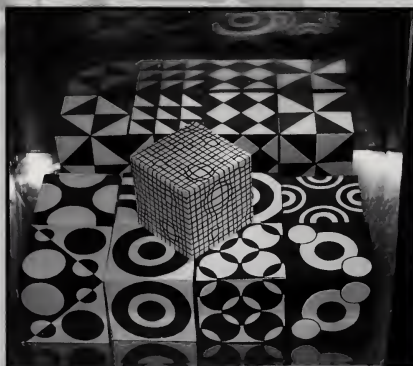

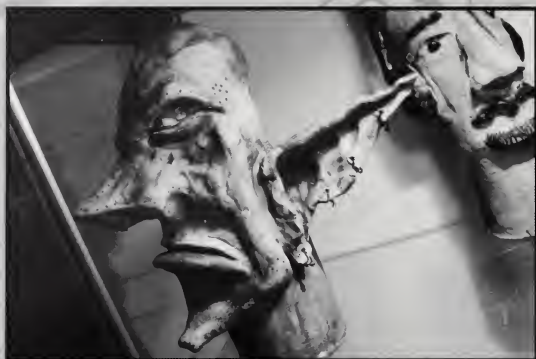

This years queen was Sydnii Todd, a Junior Broadcast Journalism major from Birmingham, AL and graduated from Spain Park High School.

Ms. Todd, who won the swimsuit competition, is the holder of the Alabama Center for Law and Civic Education Scholarship. She was a Top 8 finalist in Alabama's Junior Miss, was captain of her high school varsity dance team and is a Certified Teen Court Volunteer. She was 2008 Jefferson County Junior Miss.

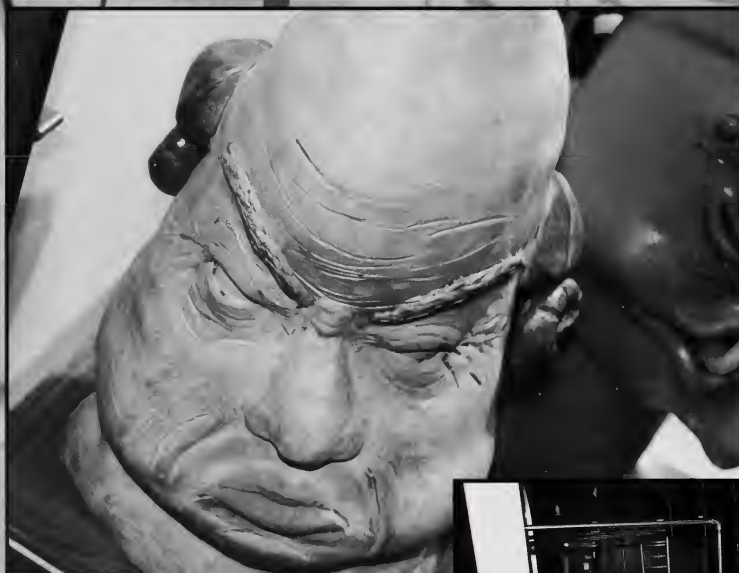

Ms. Todd was crowned by last year's Miss Troy University, Alison Farrington, and Dr. Jack Hawkins, Jr., Chancellor at the culmination of the pageant, held at the Claudia Crosby Theater on the Troy Campus.

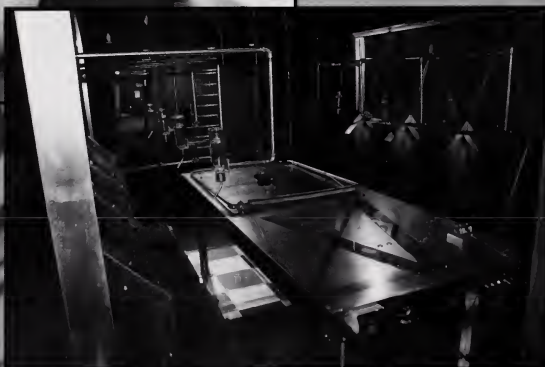

Sydnii Todd

Campus Artwork

Sculptures

Design

Many students at Troy University express themselves by way of art. Whether it is through music, canvas or a lens, students at Troy have always excelled.

“Although I haven't majored in music,” said junior Kenny Kwiek, “I have always enjoyed learning new ways to express myself.”

Art can be expressed in many ways, and at Troy students will continue to create their imagination in clay, paint or film.

Although some students are natural artists, some need a little help to express themselves.

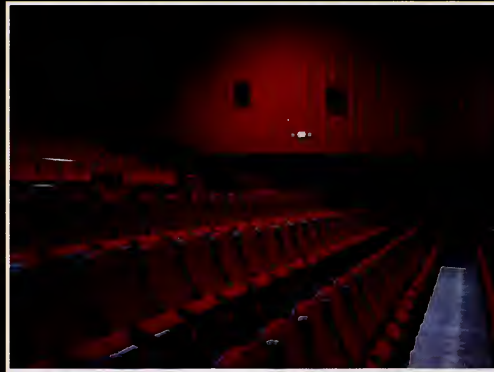

The Troy Department of Art and Design has been helping students through programs of study designed for a new breed of artists and designers.

Many students have learned how to create amazing works of art while here at Troy. It is no wonder that Troy University has put out so many great artists over the past few decades.

Photography

Troy University

Dollar

Movie

Night

Left: Many students line up to get their dollar movie every Wednesday.

The first and third Wednesday nights of every month are special to Troy University students. If you hang around campus for a small amount of time, you're bound to hear what all the fuss is about.

On these special nights, the University Activities Council presents Dollar Movie Night at the Continental Cinemas, located on Highway 231.

Students who attend Dollar Movie Night have the opportunity to watch their choice of the many newly released movies at the special price of just \$1.

The Trojan Trolley also helps to make the night possible by making several trips from the campus to the theater and back to accommodate those who don't have transportation back and forth.

"I enjoy Dollar Movie Night," said Madeline Hamilton, a sophomore athletic training major from Decatur. "It lets people who don't really have the money to spend or who are conserving money get a night out for cheap."

Trojan Walk

Left: International students show their Trojan Pride during homecoming Trojan Walk.

Right: T-Roy enjoys an easy ride on Troy's little jet during a Trojan Walk.

Below: Football players march through the campus, supported and cheered on by fans and parents.

Supporting Our Trojans

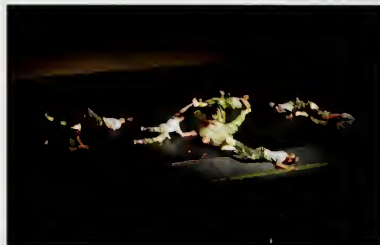

The Trojan Walk is a vitally important part of game day. During this event, the band and football players walk down University Avenue to the stadium. Everyone, from current students to alumni, watches and cheers the team in hopes of motivating the players for a successful game.

"It gets everyone involved," said Tyral English, a freshman from Bay Minette and a member of the Sound of the South Marching Band. "It is an exhilarating way to express my pride in our football team."

"I believe that it is a great way for students to get away from their busy schedules and come out and support their team for a big win," said Allison Winslett, a junior from Chelsea. "It is a really cool and exciting way to get people to be part of the Trojan family."

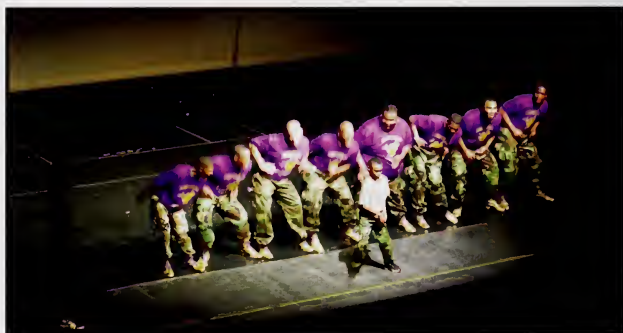

Troy's Step Show

Right: Omega Si Phi does an exciting performance.

Above: The hooded and masked Phi Beta Sigmas show out for a huge crowd.

Right: Omega Si Phi gives a future member a chance at leading the pack.

Step shows at Troy University are extremely popular. The normal Greek participants are societies from the collectively known "Divine Nine."

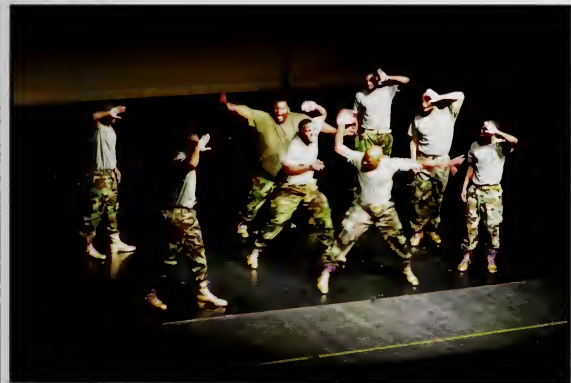

If the events did not sell out, they quickly became overcrowded and some audience members were left standing along the walls.

Sororities and fraternities all took turns as they stormed the stage, in the Claudia Crosby Theater, to show off their carefully practiced routines.

Comedian Funni Mane hosted specific shows, such as the one for Homecoming and the first step tease of the year.

These events are great entertainment for students and often come with a surprise. Sororities and fraternities, at times, like to tease the audience by showing their pledges or introducing their new members.

Divine Nine

International Students

Photo by Jiangyue Liu

Studying at Troy offers international students a unique opportunity to get a truly international education.

Troy University offers more than 80 programs, including degrees and certificates to associate, bachelor's and master's degree levels.

Many international students spend their time making new friends and getting a chance to study a subject that might not be available in their home country. They also have a chance to learn English on a more personal level.

Photo by Jiangyue Liu

Top: A group of International students pose for a picture during CSSA.

Above: This student shows off the music as part of her culture.

Below: Multiple students hold up their countries' flags during a ceremony

In countless ways, Troy University brings value from the four corners of the world home to Alabama.

Left: Students from around the world enjoy a night out in Troy.

Right: Monica Lopez and Hernan Diazgranados enjoy a weekend at the beach.

Above: Rebekah Moore and Drew Taylor visit some of Alabama's hidden secrets.

Left: Johan Zetterlund shows off the band Alabama's star during his trip to Hollywood.

Above: Dr. Paul Stewart of the science department chaperons many international students during a trip to Chicago.

Spring break is a time for students to relax and forget about their stressful classes and exams.

Many students find themselves on road trips and vacations around the States and to other countries.

"Spring break is by far the best part of the year," said Troy University student Scott Neal. "Every year, me and my friends go down to Panama City to enjoy the beach."

This year's break took place March 7-13. Although it was still very cold during this time, the students of Troy University managed to make the most of out their spring break 2011.

2011

Far Right: A Troy Rugby player dodges a defender and gains some yards.

Troy Rugby

A group of Troy students came together and decided to bring a new sport, rugby, to Troy University. Rugby, a game similar to football, found its origin in England in the 19th century. The Troy University Rugby Club was first introduced in the fall semester of 2010.

The club debuted its team to the home crowd in the opening game of Troy's first college rugby season with a match against Spring Hill College on Jan. 29, 2011.

The Troy University Rugby Club is open to men and women who are currently enrolled at the University's main campus in Troy. The college rugby season extends from January to March; however, the team participates in tournaments all throughout the year. It will also be participating in Sevens Rugby at the Alagames this summer.

Sevens Rugby is a variation of the original Rugby game that is played with seven players, instead of the usual 15 and has shorter matches. The team is excited about seasons to come and is always prepared for a challenge.

"We will play anyone, anytime, anywhere," said Christopher Downing, a Rugby Club member.

With a young team, the majority freshmen and sophomores, the team hopes to gain experience and come out on top in seasons to come.

Right: Teammates on the Troy Rugby team battle it out against another school during an away match in January 2011.

First Season

Top: Teammates lift up a member of the Troy Rugby team to hopefully gain possession of the ball.

Above: Troy's Rugby team members gather to get ready for the next session.

Intramural Sports

Above: Another popular sport is flag football, which many students, including fraternities, participate in.

Intramural Coordinator Aaron Martin gets out of the office and onto the field during softball season.

Above: Two teams line up for a fun and exciting game of flag football.

Right: Intramural referee Byron Thetford.

The Troy University Intramural Sports Department serves as a recreational outlet and stress releaser for students.

It offers a variety of sports to accommodate the diverse population. The sports offered are pingpong, swimming, flag football, Ultimate Frisbee, basketball, tennis, volleyball, softball, kickball, and inner tube water polo.

In order to participate, teams have to turn in a roster sheet in which each member has at least a 2.00 GPA, attend a sportsmanship seminar, take an online test, and pay a small fee.

Many of the students who participate use intramural sports as a way to exercise and have fun with classmates.

"Intramural sports are one of the best things about college life," said Kenny Kwiek, a junior at Troy. "My friends and I compete in almost every sport."

Left: It's all about the T-shirts. Teams that win a sport overall receive an intramural sports T-shirt.

Below: Bass drum player Ken Folsom performs with the rest of the concert band. (Photo by Clif Lusk)

Troy University's John M. Long School of Music and the city of Troy sponsored a free community concert on the Square in downtown Troy.

The event featured Troy University's very own Concert Band.

The band gives Troy students of all majors the chance to study and perform some of their favorite music.

This year's Concert in the Square had a great turnout and was a great way for the University and the community to bond.

Concert in the Square

Troy Night Life

After class and study time are over every day, Troy University students are ready to cut loose and enjoy time with their friends. Whether you're in the mood for something fast-paced, like the bar scene, or something more laid back, like a movie, Troy has something for you.

From bars like The Front Porch and The Double Branch to the Continental Cinemas, a good time is always right at your fingertips. Various clubs and organizations around campus also offer fun events to attend, such as the University Activity Council's poetry night and the Baptist Christian Ministries broom hockey. And if going out isn't an appealing option or if students just can't find anything that sounds fun, they're likely to be found somewhere around campus making their own fun.

Whether going out or staying in, hanging out with friends always promises a great time with lots of memories made.

Left: Adam McNulty and Rudi Rodriguez enjoy a night out.

be located next to the Soccer
and Track Complexes**

The Drowsy Chaperone

Above: Actors of the 2010 production of "The Drowsy Chaperone."

Left: The student actors of Troy stand as the crowd applauds their performance.

The 2006 Tony Award-winning Broadway musical "The Drowsy Chaperone" was presented by Troy University's Department of Theatre and Dance.

"The Drowsy Chaperone" tells the story of a sad man alone in his apartment. The man decides to play the soundtrack of the 1928 musical comedy "The Drowsy Chaperone."

"When the man puts the record on, it comes to life in his apartment," said Roy Hudson, director of "The Drowsy Chaperone." "So the actors in 'The Drowsy Chaperone' come out of the closets, the refrigerator, through the windows, and then they act out the show. While that's going on, he'll, once in a while, stop the show and comment on the actors and the show."

Students performing in the production were Jeff Hawkins, a freshman theater major from Birmingham, playing the role of Aldopho; Matt Thompson, senior theater major from Enterprise, playing the role of Gangster No. 2; Wesley Jackson, a senior music industry major from Huntsville, playing the role of Underling; Kara McDowell, playing the role of Kitty; Jake Oakes, a theater major from Linden, playing the role of Super; Will Moody, a senior theater major from Orange Beach, playing the role of Feldzieg; and Doug Watkins, a senior from Huntsville plays the role of the Man in Chair.

A Troy University Musical

Winter Dance Concert

Left: Lady Trojans show off their skills during the Winter Dance Concert.

Right: Students of Troy trained very hard for this occasion.

Right: Members
of the 2010-2011
Dance Ensemble.

On Feb. 11 and 12, the Department of Theatre and Dance presented its annual Winter Dance Concert. The program featured many up-to-date songs, such as "Grenade" by Bruno Mars and "6 Foot 7 Foot" by Lil Wayne.

Each dancer emotionally captured the eyes of the audience. The concert was truly an exciting evening devoted to dance. It was split into two acts in which there were many different choreographers and dancers.

The new assistant professor and the night's artistic director, Tracy Gilland, assembled several outstanding professional choreographers and joined their work to that of the faculty, student choreographers, and a community member.

Spring Fling 2011

Above: A student enjoys a ride on the mechanical bull during Spring Fling.

Above: Two students battle in the sumo ring.

Left: Senior Scott Neal holds on for eight seconds.

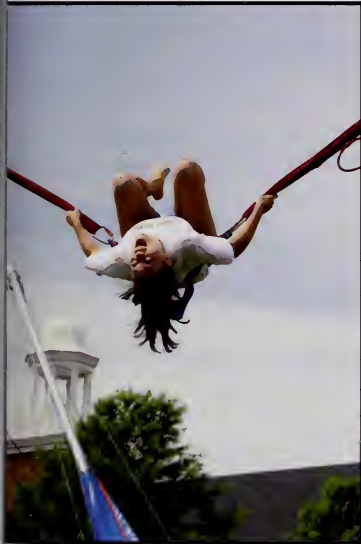

April 14 is a time students look forward to every year. It's when Spring Fling comes to Troy with a chance for students to bring out their inner kid when classes are stressing them out.

Spring Fling is presented every year by the University Activities Council (UAC) and is the main event for the spring semester.

"We put on Spring Fling to give students a chance to forget about all their classes," said Darin Chancellor, chairman of UAC. "And the students who do take advantage of this event seem to have a lot of fun."

This year, Spring Fling had many games and obstacles for the students to participate in. These included some body suits, mechanical bull riding and a moon bounce.

Right: Two students enjoy a fun sumo event during the Spring Fling.

Above: Senior Rebekah Moore show off some skills with a back flip.

Troy Mascot

Tae Madden isn't your typical college student. Not only is he another face on campus, but he is also the "face" of Troy University.

This broadcast journalism major has had the honor of representing Troy University in a very special way. To football fans all over the world, he is known as "T-Roy."

Madden was his high school mascot and wanted to take it a step further when he came to college. "It has been one of the most rewarding experiences of my life," Madden said. "T-Roy has allowed me to do a lot of things most people only dream of."

When asked what his favorite part about being the college mascot was, Madden had a unique answer. It wasn't traveling all over the country for free. It wasn't the popularity and attention that came along with being T-Roy. No, it was simply this:

"My favorite part is seeing some little kid smile and just enjoying his or herself because of something I have done. You never know what a kid is going through at home. So every chance I get, I try to make sure kids are happy. Overall, they really are the ones paying the most attention anyway!"

Above: Members of the SOTS do what they do best.

Right: SOTS trumpeters line up before an outstanding halftime show.

Above: the drum line performs for thousands during a home football game.

Below: A SOTS member marches during the Trojan Walk before a home game.

A Trojan football game would not be complete without the renowned "Sound of the South" marching band.

The legendary Dr. John M. Long founded the band in 1965. Since then, it has become a nationally recognized show band.

The band has performed for millions at football games and exhibition performances. Additionally, the band has been featured since 1997 on the Warner Brothers Marching Band promotional CDs, which are distributed to more than 38,000 schools throughout the United States and Canada.

This year, the band was under the direction of drum major Josh Wine and directors Mark Walker and Adam Blackstock.

The band didn't just perform at football games and exhibition performances; it participated in a Hawaii Five-O marching band contest for CBS and represented Troy University in the inaugural parade of Alabama Gov. Robert Bentley.

From our state's Capitol to national television, the "Sound of the South" continues to put Troy University on the map.

Josh Wine

Left: Wine shows off another talent of his.

Left: Wine conducts the Sound of the South during a game.

Above: Josh Wine stands on the Trojan field before the second half of one of Troy's football games.

Left: Wine controls the band during a practice one night during off season.

This year, the Sound of the South marching band, the largest organization on Troy's campus, was under the field direction of drum major Josh Wine. Wine is a senior music education major from Wetumpka. His duties as drum major included conducting the band, rehearsing, helping the band directors, and helping the band get from place to place in an efficient way. He said he wanted to be drum major because he was interested in serving in a more integral way for the band.

"I had previously served as one of the trumpet section leaders and really enjoyed conducting and helping solve problems," said Wine. "Leading the 'Sound' was challenging at times, but we are all one big family, and the band is always extremely supportive of its leadership. I always had 300 brothers and sisters who had my back. It was a truly humbling feeling."

"The biggest challenge was definitely helping motivate the band when either I wasn't having the best day or the conditions were difficult," said Wine. "But that's the job; work has to be done."

Wine has been influenced by many throughout his musical career. His band director in high school, Mr. King, took great interest in challenging Josh musically and always pushed him to strive for excellence.

All of Wine's professors at Troy have definitely helped shape him in their own ways into the musician, teacher and leader he is today.

However, most importantly his parents are the foundation of support. They have always been right behind Josh, cheering him and the Sound of the South on. Wine's future goals are to always strive to be the best and most supportive teacher, husband and father. He truly desires to make a positive difference in his students' lives while maintaining an active role in his community.

"My most memorable moment as drum major was conducting the 'Fanfare' for the very last time at the New Orleans Bowl," said Wine. "The band knew it was my last time to conduct this historic piece that binds us all together. They definitely didn't hold back; for that I am forever grateful."

Troy vs. Bowling Green

Above: Two football players celebrate a touchdown.

Right: Some fans paint up to support their Trojans.

With time running out on September 4, 2011 and Bowling Green driving strong, Troy fans struggled to keep an optimistic attitude.

The Trojans were at home and needed a lucky break, but it seemed highly unlikely with less than two minutes left to go in the fourth quarter. However, Tony Davis was not ready to give up the fight. The sophomore defensive tackle picked off a deflected ball, and Troy took over at its own 34-yard line with 1:07 left in the game.

Freshman Quarterback Corey Robinson also stepped up for the Trojans by completing a 17-yard pass to Tebairus Gill, then another 13-yard pass to Brett Moncrief, before running five yards to Bowling Green's 28. Robinson picked up a personal-foul penalty on the run, which put Troy on the 14-yard line.

"I wasn't a part of it last year, I was a redshirt," said Robinson. "But you are always part of the team, and it definitely felt good to get a win."

This drive left 11 seconds remaining in the game. Robinson took a knee to drop the clock to seven seconds, and the Trojans set up for the game-winning field goal opportunity.

Both teams called for a timeout before the Trojans set up for the field goal. It was now place kicker, Michael Taylor's time to shine. Taylor connected on a game-winning 34-yard field goal with four seconds left to give Troy a 30-27 victory over Bowling Green.

"It was kind of scary," said Taylor. "But I couldn't ask for a better snap and hold, and the blocking was terrific. It was a great operation from start to finish."

Below right: Junior Chip Reeves Breaks a tackle for a first down.

Below left: Senior Jerrel Jernigan tries to push past a defender.

Below: Senior Jerrel Jernigan outruns an Arkansas State safety.

Troy vs. Arkansas State

Top: Senior Jerrel Jernigan trips up a defender for an easy touchdown.

Middle: T-Roy helps pump up the team members before they hit the field against Arkansas State.

Bottom: Freshman Harrison Fields breaks a tackle for a huge gain.

On September 25, 2011 the game was delayed by almost two hours by lightning when the field was cleared with 3:04 remaining in the second quarter and with Arkansas State trailing 21-7 at home.

The delay lasted one hour and 45 minutes, and the Red Wolves were able to cut the Trojan lead to a touchdown when play resumed. Then they held Troy to a pair of field goals until junior Shawn Southward's touchdown in the waning seconds turned back the ASU rally.

Arkansas State trailed 27-14 when Troy's Michael Taylor booted a 43-yard field goal with 14:14 remaining, but the Red Wolves scored two touchdowns in the final 10 minutes, including a 30-yard touchdown pass from quarterback Ryan Aplin to wideout Allen Muse with 50 seconds to play that gave the Red Wolves a 28-27 advantage.

Freshman quarterback Corey Robinson led the Troy team on a five-play drive that used just 28 seconds off the clock to score the winning points in a 35-28 Trojans victory over the Arkansas State Red Wolves in the Sun Belt Conference opener for the four-time defending league champions.

The win was Troy's 11th straight in league play and was the Trojans' 12th consecutive victory at home, a streak that runs Troy coach Larry Blakeney's career mark at Veterans Memorial Stadium to 87-11-1 in 20 seasons.

2010

Homecoming

The Troy Trojans knew they were in for a fight as they took the field Saturday afternoon against the FIU Panthers on November 12, 2011.

The Panthers, notorious for their offensive capabilities, were quite difficult for the Trojans' defense to contain. Some turnovers from the Trojans helped FIU to conquer Troy 52-35.

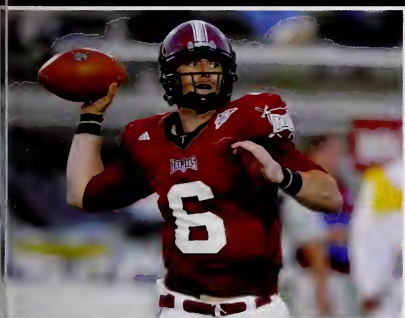

This loss would be the first in the series for Troy among other firsts that occurred that day, and only the second Homecoming loss in the Larry Blakeney era. Troy leads the series 6-1 overall. The loss also dropped the Trojans (5-4, 4-2) into second place in the league race behind FIU (4-5, 4-1).

However, there were some positive firsts that took place during the game as well. Although it wasn't enough to get his team a win, senior wide receiver Jerrel Jernigan was able to break a few records, not only for Troy University but also for the conference.

The 10 catches Jernigan caught in the game added up to give him a total of 236 all-time receptions. He now leads Troy as well as the Sun Belt in career receptions. He also broke the record for career receiving yardage at Troy.

His 32 yards were enough to put him at the top of the list with 2,922, moving him past legendary Danny Grant, who attended the game.

Troy vs. FIU

Corey Robinson

"We need your support. Continue to come out and support us. We thrive off of the fans!"

- Cory Robinson

Corey Robinson began playing football as a freshman at Lone Oak High School in Paducah, Ky., and is currently the starting quarterback for Troy University.

"I chose Troy because I felt that I fit into the offense here. We throw the football!" said Robinson.

Having set the record for most touchdowns thrown as a high school senior, Robinson has definitely begun to leave his mark as a Trojan as well.

Although Robinson has so much to be proud of, he chooses to remain humble. When asked, "Who are the most influential people in your life?" he responded: "My dad is the most influential person in my life. I also really look up to teammates James Brown and Johnathan Massiquio because of their amazing work ethic. They want to win no matter what it takes, and so do I. I truly aspire to be like them during my career at Troy University."

Robinson also gives praise to his high school football coach.

"My head coach at Lone Oak is really the only reason I am even playing college football," he said. "For that, I am so grateful."

With many victories throughout this past season, Robinson's best game was definitely against FAU. Under Robinson's wing, the Trojans beat FAU 44-7.

"This was totally a team effort," said Robinson. "This year's bowl game was a lot of fun because we got to spend a week in New Orleans and then we went out and played the best game of the year as a team."

With a winning season under his belt, and hopefully more to come, Robinson feels next season has potential to be one of the best seasons Troy has seen in a while.

"If all the pieces come together, we will be victorious," said Robinson. "We have a bunch of new guys coming in that are going to give us all the support we need to be dominant." However, Cory still relies on the fans to give them the momentum they need. "We need your support. Continue to come out and support us," says Robinson. "We thrive off of the fans!"

Robinson has many future goals, but most of all, he hopes he can give the NFL a shot.

2010 New Orleans Bowl

“Drive for Five”

Below: Junior Brendyn Trawick outruns some Bobcats.

Right: Players hold up the New Orleans Bowl trophy after beating Ohio 48-21.

Above: Senior Michael Taylor kicks a long 50-yard field goal during the New Orleans Bowl.

This year our Trojan football team went head to head with the Ohio University Bobcats in the Big Easy. Making it to the New Orleans Bowl proved to be nothing new to our Trojans, and in the end Troy dominated the Bobcats 48-21.

Throughout the game, many bowl records were outstandingly surpassed. Michael Taylor's field goal of 50 yards, the longest of his career, was also the longest in the New Orleans Bowl history. An additional achievement came from Troy's quarterback, Corey Robinson, who was named MVP of the game.

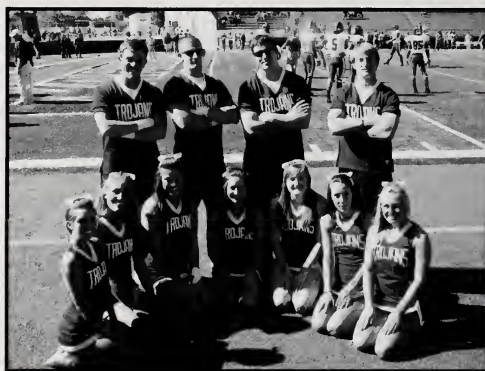

Being a catalyst in Troy's offense, Robinson surpassed the passing yards record for the Bowl. In response to Troy's success in the game, Robinson commented, "The team came together and played as one throughout the whole game."

The football team has taken many strides to make the program the Sun Belt's top contender, and this year's bowl win spoke volumes for the team.

The team was "working hard, day in and day out," said Tony Davis, a sophomore on Troy's football team. "Once the final whistle blew, it was one of the best times of my life."

Troy vs. Ohio

Spirit above all others!

Above: the 2010 Co-Ed cheerleaders pose before a Troy football away game.

"Work hard or go home" is how Amber Spradley, Troy University's head cheer coach, describes the Troy cheerleading squad.

Being the heart of Troy University's school spirit and halftime entertainment, the cheerleading squad is composed of some of the most dedicated athletes. Pompoms and smiles aren't all the squad has to offer, as anyone can easily tell when attending a Troy football game.

As the cheerleaders flip-flop across the mat and fly high through the air, it is clear all of them have firm backgrounds in gymnastics.

"All the strenuous work of stunting and practicing justly pays off," said Kerry Heinz, a senior on the cheerleading squad. "We can't wait to get to perform at games for the fans."

Spradley is committed to forming a squad that is hard-working and passionate. A lot of effort and commitment went into perfecting this year's squad, and next year Spradley hopes to add more dynamic athletes, as well as having the most talented team the University has ever seen.

Below: Teammates on Troy's basketball team enjoy the game while waiting for their moment to play.

On Saturday, Feb. 26, the Trojan basketball team traveled to Miami to take on Florida International University.

The Trojans fell 83-76. "This was a game that we could've won," head coach Don Maestri said. "It was a game that we probably outplayed them. On defense, I thought we did a good job. Offensively, I thought we did a good job as well. We missed a couple that could've probably put the game away. Then we had a chance to win it and missed."

The Trojans fell despite some strong outside shooting, specifically from seniors Regis Huddleston (19 points) and Travis Lee (18 points).

The pair combined to hit 11 out of 31 shots from outside.

As a team, Troy connected on 14 out of 45 three-point attempts. This defeat closed out Troy's regular season schedule with a record of 8-20.

Troy Basketball

Top: Will Weathers storms by a defender.

Above: No. 2, Vernon Taylor, drives in for a challenging but successful layup.

Left: Senior Vernon Taylor focuses on his extra points during a close game.

The Troy Trojans basketball team ends yet another year of competing in the Sunbelt Conference. The team was led by Head Coach Don Maestri, Associate Head Coach David Felix, Assistant Coach Michael Curry and Assistant Coach Ben Fletcher.

The team had an overall record of eight wins and 21 losses, a conference record of six wins and 10 losses, a home record of five wins and six losses, and a road record of 2-13. Its longest winning streak was three, and its longest losing streak was nine.

The Trojans will lose five senior players, including Vernon Taylor from Cross, S.C.; Levan Patsatsia from Tbilisi, Republic of Georgia; Regis Huddleston from Bay Springs, Miss.; Travis Lee from Tallahassee, Fla.; and Bernard Toombes from Columbus, Ga.

However, even though they are losing five key players, they still have high hopes for the upcoming season.

"I know they can get us back on top," said senior Levan Patsatsia. "The younger ones have a bright future ahead of them."

Above: Head Coach Don Maestri speaks to his players before sending them back out onto the court.

Troy Volleyball

This year when adversity came knocking on the door, the Troy Trojan volleyball team answered with a fight.

"Our season had a very strong start, but due to many injuries our team faced a lot of hardships," said junior Laura Mackley. "We finished out the season strong and are looking forward to bringing it next season."

The team took a hard hit when Lizzie Clough, a catalyst for the Trojans, fell to a knee injury.

Even though in the past seasons the volleyball team has had a statistically better season, this year proved to be a time for rising up to the challenge, and an overall evolution for the team itself.

By the end of the season, our Lady Trojans shut down FAU 3-0 in their last game.

Trojan volleyball players are optimistic about seasons to come.

"This season was a building time for the team as a whole," said senior Megan Henderson, "as well as a stepping stone for the teams in the future of Troy volleyball."

Many underclassmen are on the roster, and the dynamic of the team as those students rise in the next years will surely be exciting to watch as well as promising.

The Troy Volleyball team finished their 2010 season with a final record of 11 wins and 22 losses.

Below: The 2010 Troy University Volleyball team. (No specific order) Kayla Giles, Laura Mackley, Devin Von Pingel, Lizzie Clough, Natasha Koluniha, Lindsey Schoewe, Caroline Alexander, Courtney Cohen, Megan Henderson, Victoria Rogoschewsky and Brittany McClelland

“A Big Step in the Right Direction”

Troy vs. Middle Tennessee

Above: Jamesha Blake drives in against multiple defenders.

Above right: Sophie Kleeman posts up at the three-point line and calls a play.

The Troy University women's basketball team fell to Middle Tennessee State University 80-61 in the Sun Belt Conference on Thursday, Feb. 17, 2011.

"We got some good opportunities in the beginning," said head coach Michael Murphy. "When you get those looks against a team like this, you have to take advantage of it because they do. They play exceptionally hard, they are very well-coached and they have depth. They have a lot of interchangeable parts, and when you get a chance to score, you have to take advantage of it."

The Trojans shot 44.4 percent from beyond the arc and 57.1 percent from the free throw line. Meanwhile, the Blue Raiders shot 50 percent from the floor and 47.1 percent from beyond the arc. They also shot 66.7 percent from the free throw line in the victory.

Although the Trojans lost, they managed to compete with one of the best teams in the conference and continued to impress their many followers.

"I am really pleased with the effort tonight," said Murphy. "I think for the most part we played hard. I thought the freshmen came in and did a good job under trying circumstances."

Above: Teammates watch as the girls team starts to make a comeback.

Above: Jamesha Blake drives in against two Middle Tennessee defenders.

Left 1: Sophomore Sophie Kleeman lays one up for two.

Left 2: Freshman Brooke Bowie goes over a defender for the shot.

Left 3: Junior DeAngela Sword hurries down court to set up a play.

Above: DeAngela Sword drives in for two.

Below: Donette McNair goes up for a layup against an Arkansas State defender.

Even though multiple players on Troy's team managed to hit double figures, it was not enough to defeat Arkansas State in a Sun Belt Conference battle.

This would be the last time the Trojans would be at home this season, which means a loss was not what this team was looking for.

"Obviously I am pleased with the way my team played tonight," said head coach Michael Murphy. "I thought we played exceptionally hard for 40 minutes, and I thought we did some things well tonight."

The Trojans fell 83-69 against in-conference rival Arkansas State on Feb. 19, 2011.

2010 Basketball Season

2010 Rodeo

Above: Billy Lathero holds on tight during a great bull ride.

Top: Freshman Austin Sellars steals the show with a spectacular ride.

Above: Will Bradley watches from the side as a fellow Trojan competes.

The Trojan Stampede, which is the only rodeo hosted by Troy annually, is an electrifying tradition where teams from all over gather around one idea: "Talk slowly, and think quickly."

This year's Stampede was held Oct. 14-16, as cowboys and cowgirls gathered from 12 universities and competed for gratification and points at Cattleman Park. Overall, there were about 240 contestants from Alabama, Kentucky, Tennessee, Mississippi, Missouri and Arkansas.

The event was organized by Trojan Coach Josh Simmons. Troy's team had 29 members total, some competing as a team and others competing individually. Contestants competed in nine events: saddle bronc and bull riding, calf, steer wrestling, goat tying, bareback, barrels, and both team and break-away roping.

The Troy Trojans were sure to take full advantage of a home meet, placing second in the overall team competition.

Kassandra Smith won the goat-tying event after heading into the finals tied for the fourth-best time. Meanwhile, Stetson Aldridge was victorious in the calf-roping event.

The team roping competition brought another triumph to the Troy Trojans as Jacob Amerson and his partner Tyler Kile, from the University of Arkansas-Monticello, won the event. They were tied for best time heading into the finals. Ending the home meet with conquest, Justin Walker was able to bring home the win in the most looked-forward-to event, bull riding.

Left: Senior Will Bradley competes hard during the Trojan Stampede.

Whitney Hazouri

Above: Left to right, Kassandra Smith, Whitney Hazouri and Lanie Culligan stand together before competing at an away rodeo.

Above: The 2010-2011 Troy Ropers.

Whitney Hazouri, the 2010 Ozark Region Champion Breakaway Roper for Troy University, has been roping since sixth grade and is in her third year of roping as a Trojan.

Hazouri has had a successful roping career at Troy; however, this fall she proved herself capable of being an extraordinary breakaway roper when she competed in the National Finals.

"My best performance ever was this past season where I came into the Lone Star Rodeo Company finals in ninth place," she said. "I wound up winning both rounds and, furthermore, winning the whole association for the year. It was such an awesome feeling."

"Winning the Ozark Region in the breakaway was definitely a huge victory for our team. Besides competition, social events we had definitely made this year's team come together as not only teammates, but trusted friends. Our boots and boxers party was a lot of fun, as well as our late drives home from rodeos at 4 in the morning. We usually are delirious by that point and tend to come up with words, sayings and situations that nobody really understands. I guess you could call it some serious bonding time."

Hazouri has spent three years of battling for Troy University Rodeo Team, placing fifth overall in the region for the 2011 season. She made some pretty close friends along the way.

"My favorite road trip was my freshman year going to Magnolia, Ark., with Ellen Trotman, a former teammate. We got lost about five times getting there and had countless conversations which I would be embarrassed to repeat. Needless to say, we arrived late only to do really well for the weekend."

Hazouri said what she will miss the most about rodeo will be practicing and hauling up and down the roads with her teammates. "We always keep each other occupied and give each other the worst advice. I think I will truly miss the bickering between all of us and our family-like situations we get ourselves into."

While she is a breakaway roper currently, she is also majoring in sport and fitness management and is pursuing a minor in journalism.

"Hopefully, my future holds a place in rodeo, but only amateur," she said. "With my career, I hope to become a sports writer or broadcaster. I love sports and I love to talk, so I would like to put them together and make a career out of it."

A Winning Mentality

Troy Soccer

Above: Freshman Sydney Eppler takes a shot.

Above: Sophomore Erin Cersley throws the ball back in.

Left: Cersley takes advantage of the ball and heads downfield.

After much hard work over the summer, this year the Lady Trojan soccer team went "full steam ahead" into its season. Throughout pre-season, the team demolished most opponents and won five games total. With the wind at its back, Troy headed into conference play with high hopes. Once in conference, our Lady Trojans won six games and lost five, which put them in the upper half of the conference.

"The team did really well in the conference, and we even could be in the top three next year," said Chris Bentley, the head coach.

With a winning season and a spot in the Conference Tournament, the team was hopeful.

This year the Conference Tournament was held at Western Kentucky University, and the Lady Trojans faced off against Florida International University.

Although the Troy Trojans lost against the Golden Panthers in the first round, Bentley confesses that this game was the high point of the whole season.

"At that point in time, the team was more than just a team, but a family," Bentley said. "The girls on the team, as well as the staff, were all fired up for the tournament, and we all had come together for a common goal."

The coaching staff agrees that this season's common theme was advancement within the team. Bentley stresses that progression involves not only an individual player's efforts, but those of the team as a whole. Statistically, the Lady Trojans had a record of 11-8-1, trumping last year's record and even the record for the year before that. There is no doubt that this team has progressed not only through the 2010 season but through past years, and will continue to advance for many more to come.

"Every year is another year to make Troy history, and this year we most certainly did just that," said Jill Pinder, captain of the soccer team.

Jill Pinder

Above: Jill Pinder pushes the ball down the field.

Far left: Pinder hurries to make the play.

Left: She goes one on one with the enemy.

Ever since Jill Pinder was 6 years old, she has been playing soccer. Now, she is a senior in her last season at Troy University.

She graduates in May 2011 after four outstanding years of collegiate soccer. She joined the Lady Trojan Soccer Program in her sophomore year as a transfer student from Louisiana Tech University, and proved from the get-go that she was an important asset to the team.

During Pinder's first season at Troy, many records were surpassed. Pinder had the most shots on goal, most goals scored, and most points earned in a season as an individual player.

Over the past three years at Troy, Pinder has compiled a series of awards: Sun Belt Player of the Week in 2008, Player of the Year in the soccer program, National Team of the Week from Soccerbuzz.com. She was a selected member of the 2010 NSCAA Women's Scholar All-American Soccer Team.

Pinder is quick to point out that soccer is a team sport, and she stresses that her All-American award was "taken with a grain of salt" because the team is what supports each player.

The fact that Pinder is very humble in response to her success comes as no surprise to the coaching staff. Chris Bentley, head coach, described Pinder as "selfless" and said Pinder "has always looked out for others before herself."

Pinder declared that the end of her time here at Troy is bittersweet.

"I have learned so many life lessons from being a student-athlete, and have made such great relationships with others," she said.

As a biology major and captain of the Lady Trojan soccer team, Pinder has kept herself working diligently in and out of the classroom, teaching her the importance of responsibility and time management. The team and staff agree that Pinder will be greatly missed, not only as a soccer player, but also as a friend.

"The intangibles she has brought to the table for us have set a benchmark for the future," Bentley said.

Jillian Pinder majored in biology and minored in psychology. In the coming years, Pinder plans to pursue her dreams of attending medical school and becoming a doctor.

Setting a Mark !

Far right: Jill Pinder steps in front of the defender to make the play.

Right: Pinder gets her head up to help out a teammate.

Troy vs. Samford

Above: Trojan pitcher Shane McCain gets ready for another inning.

Right: McCain throws a strike to a Samford batter.

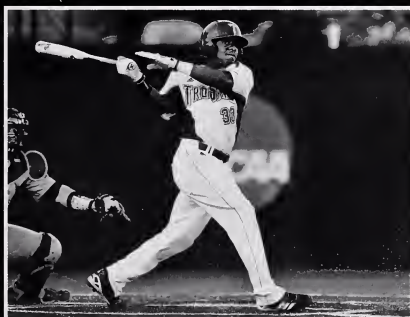

The first road trip for the Trojan baseball team did not prove to be fruitful as a quintet of Samford pitchers held Troy to one run on just five hits in a 6-1 loss on March 1, 2011.

"They pitched lights out and played a great game," said head coach Bobby Pierce. "I don't ever remember losing a game when we could only score one run."

Samford got on the board in the first inning off Troy starter Jimmy Hodgskin (0-1) when Saxon Butler blasted a solo homer. Hodgskin struck out the side in the inning and finished with eight K's in just four innings of work.

The Trojans led the game in the third when Adam Bryant delivered a sacrifice fly to score Josh McDorman, who had singled and moved up on a sacrifice bunt and wild pitch.

It was the only time Troy would scratch in the game. Samford went back on top in the fourth and defeated the Trojans 6-1.

Above: Batter Carter Ivans swings for the fence.

Far Left: Star pitcher Shane McCain puts everything he's got into a successful game.

Middle: A Trojan smacks one for an easy base.

Bottom: Troy Outfielders make a great play while playing at home.

The Troy Trojan baseball team traveled to Birmingham on Tuesday, April 26, to take on the Blazers of University of Alabama at Birmingham.

The game was tied late in the game by a two-run home run by Andrew Manning with one out in the eighth to chase Troy starter Shane McCain.

The Trojans turned to closer Tyson Workman, who got a ground out then a caught stealing at home to escape the inning. After the Trojans were unable to generate offense in the top half, the stage was set for the Blazers in the bottom of the ninth.

For the third time in four innings, Troy led off the fourth with a double. The first two times, the Trojans failed to produce a run, but the third time was a charm.

UAB got a run back on an RBI single by Austin in the bottom half of the fourth to close the Trojans' lead to 3-1.

Above: Teammates and coaches line up before the game to show respect to our nation during the national anthem.

Lady Trojans vs. Samford

Above: Junior Haley Hutchins pitches against the Samford Bulldogs.

Left: The team celebrates after No. 8 Nikki Hollett hits a home run.

On February 19, 2011 Troy had already beaten its in-state rival Samford once, but could Troy do it again? This question was answered quickly during the first couple of innings of what was sure to be a victorious game at home.

Right off the bat in the first inning, Michelle Hewett scored a triple when rocketing the ball to left corner field, and ran home after Jordan McAllister hit a single down the left field line.

The Lady Trojans continued to dominate play and were up by three at the end of the first inning.

In the second inning, Hayden Gann scored a double, bringing two runs in. The Trojans were up 5-0. By the third inning, Troy scored another run, and Samford's future was looking bleak.

In the end, the Trojans stomped the Bulldogs, scoring six runs and allowing Samford only two runs (6-2).

"This win against the Bulldogs only motivates the team to keep winning as we head into conference," said Hayden Gann, a junior softball player at Troy.

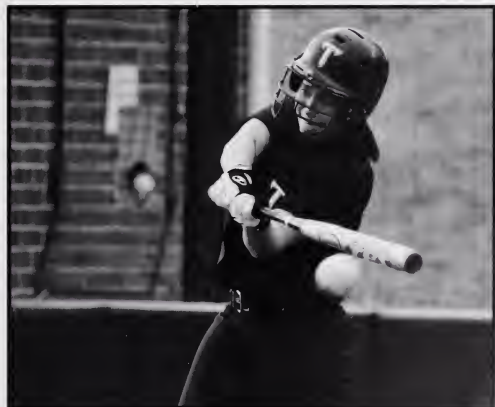

Troy's softball team continues to work hard, and will surely see more victories in the future.

Below bottom: Junior Sarah Shields hits for an easy base.

Below top: Taylor Smartt grabs a ground ball for an easy out.

Troy vs. ULM

Above: Ashlyn Williams strikes out a batter.

Above right: Senior Ashlyn Williams hurries to catch a pop-up to the pitcher's mound.

The Troy University softball team split the series against University of Louisiana Monroe on March 19, 2011, when Troy won game one 3-0 and ULM won game two 6-5.

Senior Ashlyn Williams struck out 11 batters in the opener to hold back the ULM Warhawks, while the Trojans managed to take the lead by scoring all three points in the fourth inning.

During the second game, the Trojans took the lead early with a 4-0 drive by the third inning.

However, ULM would answer back and take the lead by scoring six uncontested points.

Troy had a chance in the seventh inning to tie the game. Kelly Luquette led off the inning with a single, and moved to third after Nikki Hollett hit a huge ball off the center-field fence.

Meanwhile, Hollett got hung up between second and third for the first out of the inning, before Hayden Gann delivered an RBI single through the right side – pulling the Trojans to within a run. Freshman Taylor Smartt followed that up with a single to put the tying run at second and the winning run at first with just one out in the inning.

However, the rally ended there as Shields hit into a game-ending double play.

2011

Gabriella Veiga

Left: One of Gabriella Veiga's favorite times while playing tennis was spending time with her teammates.

Right: Veiga spends time with her friends during practice.

Gabi Veiga, a junior, has been competing for Troy three whole tennis seasons. Not only is Veiga a member of the Trojan tennis team, but she is also an international student.

Veiga hails from Brazil, and has been playing since she was 7 years old. Not only does she love the competition on the court, but she also enjoys the friendships she has made with her U.S. and international teammates.

Veiga said the most important lesson that she has learned is that the team can also be a home away from home.

Veiga majors in sports and fitness management. She will graduate in December 2012. As for her goals next season, Veiga said, "I want to continue to improve, always work hard, and never give up."

Above: Head Coach Eric Hayes stands alongside Gabriella Veiga and the rest of the 2010-2011 women's tennis team.

Below: Veiga competes hard to win the match.

Troy Cross Country

Far left: Cross country runner Alec Hetherington speaks to the crowd during the race.

Left: Junior Alec Hetherington jumps over the hurdle during the Trojan Invitational.

Right: The team takes a moment to get ready for the big race.

The Troy University men's and women's cross country teams competed well not only throughout the season but also during the Sun Belt Championships.

The girls cross country team managed to score the lowest points in school history, while sophomore Enock Kirui of the men's team earned all-conference honors.

"I was very proud of the way the teams competed," said Troy University Director of Track and Field/Cross Country Jill Lancaster. "It was a great team effort all the way around."

Enock Kirui earned all-conference honors when he crossed the line sixth overall with a time of 25:24.7 in the 8K race. The sophomore was the lone Trojan to cross the line to earn all-conference honors and finished just six seconds out of the top five and just 22 seconds out of a top-three finish on the year.

The cross country programs at Troy are very young and should be a force to be reckoned with in the next couple seasons.

Jeremy Moujoodi

Jeremy Moujoodi with teammates
from Troy and back to the
Troy.

Jeremy Moujoodi
competing in the 5k race at
Troy.

Jeremy Moujoodi, a senior cross country runner, has had an exciting four years at Troy University. He has built memories upon memories with both team members and coaches.

"My favorite memory was definitely riding to conference my freshman year on a party bus that Coach Lambert got for us!" Moujoodi said. "The best road trip was getting to go to the GMAC Bowl to watch the Troy football team play. That was a true bonding experience as a team."

The teammates with whom he enjoyed these memories included Enock Kirio, Sylvia Chirchir, Agnes Kpsioyo, Adam Bradley, Brett Lewis and Terrence Dixon.

Moujoodi went on to tell a bit about the highlights of his last season and said: "Running in the snow while warming up at Clemson was definitely an interesting moment of my career as a runner, but it's the small things that really make events worthwhile, such as the random talks with my teammate Enock during races. In my opinion, my last season at Troy was awesome. It was fun; we had a new coach and new teammates. However, it was very difficult with it being my 10th year of running in my life. I learned perseverance if anything."

Moujoodi's perseverance definitely carried Troy's team. He was an enthusiastic leader, fun to be around, and a great student academically.

He always ran his heart out in races. In one particular race, the outdoor track meet at FSU, Moujoodi ran a 14:56 in the 5k. He said, "My coach was yelling so loudly at me on the last lap ... then we went and talked about the accomplishment over a classy Sonic Drive-In." Moujoodi hopes that his future will be bright, as a teacher and a coach, and he wishes to share his knowledge with young people in particular. Jeremy Moujoodi said he wishes nothing but the best for the future of Troy cross country.

Track: Many of Joens's favorite memories of cross country and track are from spending time with friends.

Joens: Spending time with friends and family is one of my favorite things to do.

Joens: Spending time with friends and family is one of my favorite things to do. I also enjoy spending time with my friends and family.

XC and Track

2011

Track and Field

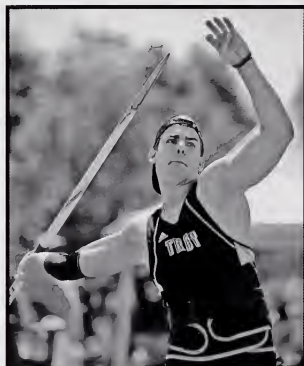

Above: Sophomore Jasmine Patton competes in the 100m hurdles during the Coach O Invitational.

Above: Mid-distance runner Kemper Morton runs the 1,500-meter race during the Coach O Invitational.

Right: Thrower Martins Pildavs competes in javelin and throws a national qualifying distance.

The Troy men's and women's track and field teams had a great season as the men finished fifth in the Sun Belt Conference Championship while the women's team finished ninth after key runners were unable to compete due to injury.

Many young runners and throwers have stepped up and are a huge asset to this team while competing against teams such as Florida State, Auburn, Alabama, Middle Tennessee, Western Kentucky and Florida Atlantic.

One of the key athletes for the Trojans' success was junior Terrell Irons, who finished first in the men's triple jump with a length of 15.45 meters.

Another Trojan who contributed points for Troy during the Sun Belt Conference Championship was sophomore Jasmine Patton, who finished sixth in the women's 100-meter hurdles.

Others who scored were sophomore Larry Henry in the high jump, sophomore Cody Bahrke in the hammer throw, freshman Karen Wyatt in hammer, freshman Megan Schunuelle in javelin, junior Martins Pildavs in javelin, sophomore Matt Braswell in javelin, Arukwe in the 100-meter run, and sophomore Enock Kirui in the 5k race. Both the men's and women's 4x400 meter relays, as well as the 4x100 meter relays, placed in the conference championship.

Above: Freshman David Hudman competes in the Steeple Chase during Coach O.

Left: Sophomore Ja Courtney Alexander competes in the 4x100-meter relay.

Troy Golf

Above: Ricky Casko walks to his next hole during an intense match at the Sun Belt Conference Championship.

Right: Senior Reid Merritt drives his ball deep down the fairway during the Sun Belt Championship.

The Troy University men's and women's golf team's had a successful year. The team was led by Head Coach Matt Terry and Assistant Coach Bart Barnes.

The team's participated in the Louisiana Tech/Squire Creek Invitational, Mizuno Savannah Intercollegiate, APSU Intercollegiate, USF Invitational, Seminole Intercollegiate, Furman Intercollegiate, Yellow Jacket Classic and Sun Belt Conference Championship.

Troy took on MTSU for the Sun Belt Championship, but fell short with a disappointing 301 finish. Despite this disappointment, the Trojans Golf Team has a season to be proud of.

The men's team will say goodbye to four seniors. They are Hunter Harper, Reid Merritt, Zach Portemont and Chase Whitehead. However, the women's team has to let go of only two seniors, Liz Balkcom and Annelies Anderson. Upcoming freshmen and underclassmen will continue to improve the team's ranking not only in the conference, but also nationwide.

Below: Sara Fennvik swings away during the Sun Belt Championship.

about her shot.

One of Troy's Finest

Haley Lawrence is a junior at Troy University and has been on the golf team for three years. She remembers picking up the game from hitting golf balls in her front yard with her dad. Since then, her athletic ability has blossomed and made her a serious competitor on the green.

Not only does Lawrence perform well on the golf course, but she has also managed to be an excellent student. Lawrence's academic achievements include being in the 3.0 club since her first semester at Troy, and also being awarded the coveted Academic All-American Award in 2009 and 2010.

Lawrence majors in athletic training and hopes to become a physical therapist.

With a year's worth of school and golf to look forward to, Lawrence is determined to surpass all goals, both athletically and academically.

College of Arts and Sciences

The College of Arts and Sciences offers degrees in biological and environmental sciences, chemistry, criminal justice and social science, English, math, physics, computer science, geomatics, military science and leadership, political science, and history.

The Department of Biological and Environmental Sciences offers majors in biology education and biology. A minor in biology is also available. The department presents undergraduate programs in biology, marine biology and environmental science.

The Department of Chemistry has programs for majors in chemistry and chemistry education, as well as programs for minors in chemistry.

The Department of Criminal Justice and Social Sciences offers degrees in sociology, criminal justice and social science.

The Department of English offers both an English major and an English minor with concentrations on creative writing or literature, as well as a concentration on graduate level Teachers of English to Speakers of Other Languages (TESOL).

The Departments of Math, Physics, Computer Science and Geomatics offer majors in comprehensive mathematics, mathematics education and nonteaching mathematics, comprehensive science, and physics education. This department also allows students to enter into a pre-engineering program.

The Department of Political Science allows students to obtain a bachelor's degree in political science, a master's degree in science and international relations, and a master's degree in public administration.

Above: The Math and Science Department

Right: Faith Karwacki of the biology department, who is president of the Environmental Club, helps out during an event.

Creating the Educators of Tomorrow

Above: Hawkins Hall, Troy's education building.

The College of Education at Troy University consists of two main academic departments: Curriculum and Teaching, plus Psychology, Counseling and Foundations of Education.

The Department of Psychology, Counseling & Foundations of Education offers a Bachelor of Science degree in psychology and a Master of Science degree in two areas: counseling and foundations of education.

The mission is to prepare educators, counselors, administrators and other professionals to be lifelong, innovative, reflective decision makers effectively trained to achieve the goals identified by the accrediting and professional organizations for each program.

College of Communication and Fine Arts

Giving the Necessary Skills Needed to Survive

The College of Communication and Fine Arts is sectioned into five departments: the John M. Long School of Music, the Hall School of Journalism and Communication, the Department of Theatre and Dance, the Department of Modern Languages and Classics, and the Department of Art and Design.

Their mission is to provide excellence in instruction in selected communication and fine arts disciplines along with practical experiences in journalism, mass communication, music, speech communication, theater, visual arts and foreign language.

Troy University's College of Communication and Fine Arts is a primary provider of cultural events benefiting the citizens of Troy, Pike County, the region, and the state. Accordingly, the college offers such fine arts events as art exhibits; symphony band, jazz band and choral concerts; and theatrical performances.

The Department of Art and Design offers degrees that include photography, graphic design and art education.

The goal of the Department of Theatre and Dance is giving students the chance to work with recognized artists in the field, seeking professional feedback, and providing for the changing needs of an increasingly diverse community.

Journalism, broadcast journalism, advertising, public relations and mass communication are some of the degrees the Hall School of Journalism and Communication offers.

John M. Long School of Music allows students to have educational experiences that will guide them in developing their musical skills, knowledge and attitude required to pursue a career in the different areas of music.

Below: Although currently under reconstruction, Bibb Graves Hall has been the main building for the College of Business.

College of Business

The vision of the Sorrell College of Business is that it will be the first choice for higher business education students in their quest to succeed in a dynamic and global economy. It equips students with the knowledge, skills, abilities and competencies to become organizational and community leaders who will make a difference in the global village and global economy.

The Center for International Business and Economic Development and the Small Business Development Center are housed by the Sorrell College of Business.

The Sorrell College of Business consists of four different departments: Business Programs, Graduate Business Programs, Risk Management and Insurance, and the School of Accountancy.

Accounting, general business, management, risk management and insurance, finance, information systems, and marketing are undergraduate programs.

The undergraduate programs focus on the Bachelor of Science in Business Administration. Also, minors such as business administration and information systems are available.

The graduate program offers a degree for the majors in business administration and taxation. The Sorrell College of Business graduate programs are focused on accounting, information systems, finance, international economic development and general management options.

Sorrell College of Business has organizations that students can join and scholarships that they can apply for. The college has been a tradition for many years, helping students to achieve success.

Helping student activities and operations

Student affairs are based upon the Department of Student Services and Administration.

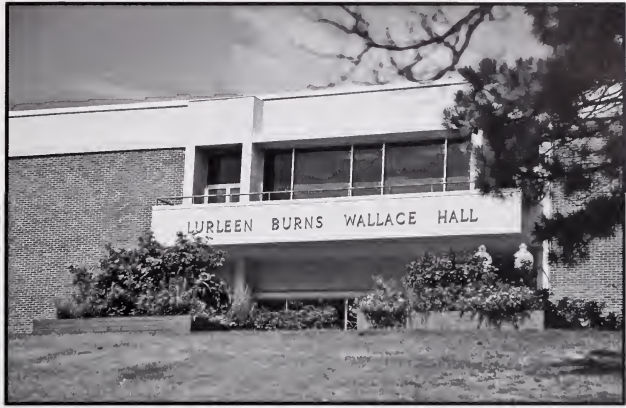

Through student affairs, the needs of the students are met the best way possible. In this department, Troy seeks to prepare students for full citizenship in a global community, at work, at play, in fellowship, and in personal development.

There are many different departments of student services and administration, such as dining services, auxiliary services, student financial services, student financial aid services, transportation services, housing and residence life, financial aid, student development, the university police, and student involvement and leadership.

Student affairs also offers library services, personal counseling, Prism, S.A.V.E. project, Spectrum, and student health services.

Student Services

The College of Health and Human Services, established in 1994, is dedicated to providing a quality academic experience for graduates to prepare them for human service and health-based professions. It comprises the School of Nursing, the Department of Kinesiology and Health Promotion, athletic training programs, and the Departments of Human Services, Rehabilitation and Social Work.

The School of Nursing offers a Bachelor of Science and a Master of Science in Nursing.

The Department of Kinesiology and Health Promotion offers majors in sports and fitness management and physical education. Minors in recreation, exercise science and health promotion are also available.

The Departments of Human Services, Rehabilitation and Social Work offer majors in human services, rehabilitation and social work. A minor is offered in human services.

The Athletic Training Education Program offers a major in athletic training education.

2011

Higher Education Day

Troy University students joined students from other Alabama colleges and universities on the steps of the Alabama State House on Thursday, April 7, to take part in the annual Higher Education Day Rally.

The event was organized by the Higher Education Partnership (HEP) of Alabama, a statewide organization that joins the advocacy efforts of administrators, faculty, staff and students from Alabama's public four-year colleges and universities in support of higher education.

The rally stresses the impact that higher education has on the state's economy and standard of living and the importance of adequate state funding for higher education for all Alabamians.

Many students at Troy believe the state needs to keep funding universities and schools.

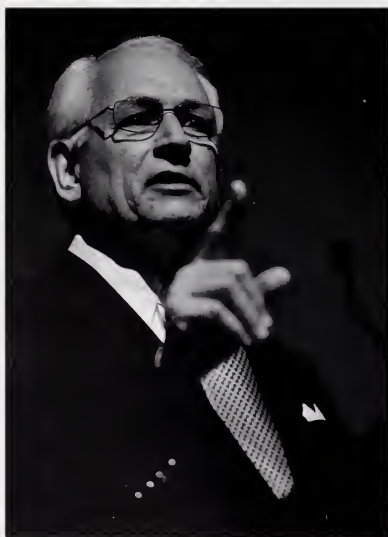

Above: Dr. John Kline, professor of leadership and director of Troy University's Institute for Leadership Development, cheers alongside many students on Higher Education Day.

ISCO

International Student Cultural Organization

ISCO is the International Student Cultural Organization. It was founded in 1975. Our organization is for the benefit of both international and American students; it helps international students grow in the American way of life and enlightens

American students about the international environment.

Thirty countries are represented among ISCO's 55 members. Every year, ISCO has the International Festival where students from all over the world come together to perform acts from their countries. People from the community, faculty members and students come together and enjoy the evening, along with an exotic spread of international foods. This school year, ISCO raised money for Pakistan flood relief, hosted an international tailgate party before the first football game, hosted Halloween and Valentine's Day parties, had great picnics, went bowling, went on a trip to the beach, and learned about all of the cultures represented here at Troy.

Who's Who Among Students in American Universities and Colleges

- Treasurer of Mortar Board Honor Society
- Freshman Forum
- Crossroads
- Member of Alpha Lambda Delta Honor Society
- Trojan Ambassador
- Treasurer of Association of Certified Fraud Examiners
- Accounting Society
- Secretary of Delta Mu Delta Honor Society
- Relay for Life
- Habitat for Humanity
- Recipient of Leadership Scholarship
- Recipient of Tommy L. Thompson Scholarship
- Who's Who Among Students in American Universities and Colleges
- Omicron Delta Kappa

Ashley Adkins

Classification: Senior

Major: Accounting

Amanda Louise Graham

Classification: Senior

Major: Theater and Political Science

- Theatre department, performing in shows such as The Drowsy Chaperone, Guys and Dolls, Catfish Moon, The Laramie Project, and Urinetown: The Musical.
- Assistant directing a children's version of Peter Pan in her hometown of Pell City.
- Troy University Concert Chorale
- Musical Theatre Ensemble
- Political Science Club
- Philosophy Society
- Alpha Lambda Delta
- Lambda Pi Eta
- Delta Epsilon Iota
- Omicron Delta Kappa honor society
- Recipient of the Bob Ell Rhodes Grave and Alabama Baptist Foundations Scholarship
- Provost's list for the 2010 spring semester
- Alpha Psi Omega President for 2010-2011 school year
- National Dramatic Honorary Society

Adrienne Hicks

Classification: Senior

Major: Dance

- Top 5 Miss Dance of America Nationals
- IDC National Senior Winner
- Miss Bounce National Senior Winner
- Southeast Alabama Dance Company, a Southeast Regional Ballet Association honor company. During her time with SEADAC, she danced the solo roles of Soldier Doll, Waltz, Arabian and Snow Queen from The Nutcracker. In SEADAC's spring performances, she danced the Caterpillar in Alice and Wonderland; the Wicked Witch in Wizard of Oz; and Snow White in Snow White and the Seven Dwarfs.
- Ailey/Fordham BFA program in New York City.
- One of only two female dancers chosen to dance in guest choreographer Sean Curran's piece for the Fordham/Ailey Fall BFA performance.
- Helped charter the university's first dance program. Troy Dance Repertory Ensemble, which began with 7 of Alabama's best dancers, all of whom Adrienne herself was influential in recruiting, has more than doubled, increasing from 7 to 16 members.
- Adrienne Canterna-Thomas' Pretty Girls of Dance.

- SGA Senator for College of Ed
- Director of International Student Forum
- Brother of Alpha Tau Omega
- Conversation Partners
- RHA
- Association of Childhood Education International
- Student Council for Exceptional Children

Chelsea Hess

Classification: Senior

Major: Comprehensive Psychology

- Psi Lambda and Psi Chi
- Secretary for Psi Chi.
- Coordinator for the Domestic Violence Awareness Vigil sponsored by Psi Chi in October 2010
- Involved with Campus Outreach and Baptist Campus Ministries
- Captain of X-Factor Intramural sports (under the Gamecocks organization)
- Millennium Scholar
- Outstanding Psychology Student award
- Who's Who member three times (2008, 2009, 2010)
- Mentor at Noble Manor Assisted Living Facility and at the Girls' Group Home
- Presented an empirical research poster at the Alabama Counseling Association annual conference in 2010

Joseph Callaway

Classification: Senior

Major: Political Science

- Outstanding Political Science Student 2011
- 2009 Track and Field Team Captain
- Phi Kappa Phi Outstanding Junior 2010
- Athletic Advisory Committee Representative
- Sun Belt Conference Commissioner's List
- Political Science Club President
- Pi Sigma Alpha Vice President
- Phi Kappa Phi
- Mortar Board
- Chancellor's List
- Circle K International
- Attending Cumberland School of Law in the Fall

Christopher Petre

Classification: Senior

Major: Instrumental Music Education

- Assistant Principal Flutist in the Symphony Band
- Assistant Piccolo Section Leader for The Sound of the South Marching Band
- A member of the Collegiate Singers and Concert Chorus
- Recipient of Scholarships from both the band and choral departments
- Recipient of David Mallach Scholarship in Music
- He serves as a Spanish Tutor at the Troy Public Library

Donna L. Flowers

Classification: Senior

Major: Music Education

- Member of the "Sound of the South" marching band
- Administrative Graduate Assistant for the Band.
- Beginning in 2007, Member of Sigma Alpha Iota, an international music fraternity for women. During her involvement in Sigma Alpha Iota, she has served the fraternity as fundraising chair, sergeant at arms, and social chair.
- Member of Mortar Board, Omicron Delta Kappa, Clarinet Choir, and the Troy University Symphony Band.

Dallas Jordan

Classification: Senior

Major: Accounting

- Troy University Leadership Scholarship Recipient
- Snell Endowment Scholarship Winner
- Frank Sims & Sarah Smith Anderson Scholarship Winner
- Betty Hopper Outstanding Graduating Senior Award
- Delta Mu Delta Honor Society
- Alpha Lambda Delta Honor Society
- Delta Epsilon Iota Honor Society
- The Accounting Society (VP 2009 – 2010)
- "Sound of the South" Majorette (Co-captain 2009, Captain 2010)
- "Sound of the South" Band Council

Darreyel Laster

Classification: Junior

Major: Political Science

- Recipient of the Trojan Opportunity Scholarship and the Cathy Stewart Foundation Scholarship
 - Who's Who
 - Recipient of the Outstanding Minority Academic Achievement Award
 - Spring Break Missionary to Peru and the Dominican Republic
 - Member of College Republicans, Baptist Campus Ministries, Political Science Club, Pre-Law Society, Freshman Forum,
 - Student Government Association Vice President for Campus Activities
-

Elijah Carnley

Classification: Senior

Major: English

- Children's Ministry worker at Bush Memorial Baptist Church
- Tutor at Troy University Natural Science Center
- Catering Server for Sodexo Dining Services
- Baptist Campus Ministries (2007-2011; Leadership Team 2008-2011)
- Phi Kappa Phi
